Proposed by	Augustana Faculty
Presenter	Karsten Mündel, Associate Dean, Academic, Augustana Faculty

Details

Responsibility	Provost and Vice-President (Academic)
The Purpose of the Proposal is (please be specific)	Approval of the (proposed) Termination of the Augustana BMus Liturgical Arts Major and the BMus Musical Arts Major
The Impact of the Proposal is	No impact. There have been no students registered in either major since the University of Alberta began officially maintaining the Augustana Faculty student records in September 2006.
Replaces/Revises (eg, policies, resolutions)	Will require removal of the programs and all references to the programs from the University Calendar: Augustana Faculty Bachelor of Music section.
Timeline/Implementation Date	Termination to take effect upon approval. Program will be removed from the 2018-2019 University Calendar.
Estimated Cost and funding source	N/A
Next Steps (ie.: Communications Plan, Implementation plans)	Formal Calendar change will be implemented upon approval. After approval by the Board of Governors, the proposal will be submitted to the Ministry of Advanced Education for approval.
Supplementary Notes and context	Since September 2006, no students have been registered in either of the Liturgical Arts or Musical Arts BMus majors offered by Augustana Faculty. Official student reporting by the University to the Government of Alberta does show 3 students registered in the Musical Arts Major from 2006-2016. However, close examination determined all 3 were actually Undeclared majors who were reported as Musical Arts majors due to the reporting requirements stipulated by the Government of Alberta. The last reported Musical Arts major was in 2010. Given the lack of registrations in these majors, consultation with the Office of the Provost and Vice President (Academic) and the Government of Alberta recommended moving forward with the termination of these majors, without a period of suspension.

Proposal Template: Program Suspension, Reactivation and Termination

This template is for the presentation of proposals for suspension or termination of an existing program or specialization within an existing program; and for reactivation of a suspended program or specialization.

Basic Information

Institution	University of Alberta, Augustana Faculty
Program/specialization title	Augustana Faculty - BMus in Liturgical Arts Major Augustana Faculty - BMus in Musical Arts Major
Credential awarded	Bachelor of Music
Proposed date(s) of suspension term, reactivation or termination	July 1, 2018

A: Suspension

1. Rationale for suspension (for example, changes in applications, enrolment, employer demand, program obsolescence, etc.). Comment on the alignment of the proposed change with the institution's strategic direction and priorities. If enrolment is a key rationale, provide historical enrolment data.
2. Anticipated impacts on students and graduates and plans to ameliorate these impacts. Describe the institution's plan to teach out active students and stop-outs. Include evidence of consultation with students and a communications plan for informing stopped-out students of the change.
3. Identify anticipated impacts on external stakeholders (e.g. employers, professional/regulatory organizations, other post-secondary institutions) and provide evidence of consultation.
4. Identify anticipated impacts on institutional operations and resources (e.g. operating budget, staffing, student services, information technology, library, classroom and lab space). Discuss plans for the reallocation of any resources freed up by the proposed suspension.

B: Reactivation

1. Rationale for reactivation (for example, increased employer demand, student demand, new funding sources, etc.). Comment on the alignment of the proposed change with the institution's strategic direction and priorities.
2. Identify anticipated impacts on institutional operations and resources (e.g. operating budget, staffing, student services, information technology, library, and classroom and lab space).
3. Provide a simplified enrolment plan using the following table. Include assumptions and explanatory notes (e.g., attrition, part-time enrolment).

Proposed Enrolment	Year 1	Year 2	Year 3	Year 4	Year 5	Annual Ongoing
Intake (head count)	0	0	0	0	0	0
Total head count	0	0	0	0	0	0
Total FLE	0	0	0	0	0	0
Anticipated No. of Graduates	0	0	0	0	0	0

C: Termination

1. Describe measures taken by the institution to ensure that active students and stop-outs have had ample opportunity to complete their programs of study.

No student has been registered in either the Augustana Bachelor of Music Liturgical Arts major or Musical Arts major since the University of Alberta began officially maintaining the Augustana Faculty student records in September 2006. Official student headcounts reported to the Government of Alberta by the University indicate no students registered in Liturgical Arts since 2006. Three Musical Arts registrations were reported (1 each in 2006, 2007, and 2010); however, close examination determined all 3 were actually Undeclared students who were reported as being Musical Arts majors due to reporting requirements. The students reported in 2006 and 2007 subsequently graduated from the University of Alberta – Augustana Faculty with different BMus majors; the student reported in 2010 withdrew from the program after the Fall 2010 and has not returned to the University. If this student returns, as an Undeclared major, she can still choose between the remaining BMus majors offered by Augustana Faculty - Comprehensive, Piano, and Voice - and would not even notice the change in offerings. As such, there are no active students or stop-outs eligible for these majors.

The Augustana Fine Arts and Humanities Department has informed the Augustana Prospective Students Office of the intention to terminate these majors. Historically, there has been no demand for registration in these programs, but in the highly unlikely event of

an applicant requesting consideration for either major in the current admission cycle, such an applicant would be directed into one of the three remaining BMus majors offered by Augustana Faculty – Comprehensive, Piano, or Voice.

2. Where applicable, summarize the actual re-allocation of resources during the period of suspension, and any additional re-allocation anticipated upon termination, and specify the impacts of re-allocation on institutional operations.

Upon recommendation of the Office of the Provost and Vice President (Academic) in consultation with the Government of Alberta, Augustana Faculty proposes to terminate both majors without a period of suspension. The lack of registration in either major results in no resources available for reallocation, but does allow for a clarity of opportunity and resourcing for the remaining three majors in the Augustana BMus program.

Bachelor of Music (BMus) [Augustana] Overview The Bachelor of Music program consists of ★122, including ★65 of core music requirements, ★24 in one of the five Bachelor of Music majors, and ★33 of non-music requirements. In two of these majors, Liturgical Arts and Musical Arts, a minor is required; in the other three majors, Piano, Voice, and Comprehensive, a minor is optional. The minor consists of a minimum of ★18 in one discipline or approved interdisciplinary area, including at least ★12 at the senior level. A student should be aware that it may not be possible to complete certain combinations of majors and minors without extending the time required to earn the degree. Residence Requirement Students registered in a BMus program must complete at least 60 senior credits offered by the Augustana Faculty. However, 1. Language or other study abroad may, with special permission of the Associate Dean, Academics, count toward the residence requirement 2. An exception to this may be granted to students already holding a BA or BSc who can transfer sufficient credits from their first degree to be able to complete the requirements of the Bachelor of Music degree in fewer than ★60. General Information Three majors are available in the Bachelor of Music degree program: Piano, Voice, Comprehensive: Piano

Piano

and

Voice

A student whose primary career interest is to perform and teach piano or voice would choose one of these majors. Professional employment as, for example, a soloist, chorister, accompanist, chamber musician, or teacher, is a possibility for a graduate seeking a career as a music performer. Along with independent freelance career opportunities, a degree with either of these majors can also lead to a career as professor in music performance in a college, university, or conservatory. These majors require high artistic standards, include courses specific to piano and voice in literature and pedagogy, and provide for a broadly-based music education with advanced studies in music theory and music history. Four years of ensembles (choral/instrumental and chamber) are required.

Comprehensive

A student who seeks intensive studies in an instrument or voice, variety in music options, and advanced studies in music history, theory, and ensembles, should consider this major. It is suitable for the student desiring to prepare for a career as, for example, a professional wind, brass, or string player, a choral or instrumental conductor, an arts administrator, or a professional librarian. Like the Bachelor of Arts degree in music, this major enables the student to enter graduate studies in more specific fields such as music theory, music history, ethnomusicology, and popular music studies. If the student enrolls in third- and fourth-year recital courses, this degree may facilitate entry into performance-based graduate programs as well.

Liturgical Arts

A student considering professional employment as a church musician, or considering graduate studies, may designate this major at the end of the second year of full time studies (or part-time equivalent). The major emphasizes

Admission Requirements

performance-oriented study in organ, piano, or voice, advanced music history and theory, ensembles, and advanced conducting skills. Studies in liturgical arts, work-experience practica, a required minor in Religion, and other courses from the liberal arts and sciences, provide for a scholarly understanding of and a creative approach to ritual.

Musical Arts

A student desiring a performance-intensive emphasis in an instrument or voice and wishing to prepare for innovative, emerging research areas and musical professions, would choose this major. It provides for a liberalized curriculum that combines the strong performance emphasis and scholarly breadth of a Bachelor of Music, the requirements for a minor in another discipline, and interdisciplinary research on the relationships between the two disciplines. This is the most unique and “cutting edge” of the Bachelor of Music majors. A student may apply for this major at the end of two years—full-time study or part-time equivalent.
